Our Team

# Our USPs

## 1. Can accommodate shorter Project TAT

- Machine finish work in own factory combined with flexible man hours by on-roll / contract staff puts us in advantageous position

## 2. Un-compromised “Quality First” approach

- We resonate with Total Quality Management. We refuse Project of Poor-Quality specification/expectation

## 3. Strong Supply Chain Management – OEM partnerships

- Results in faster procurement at competitive price

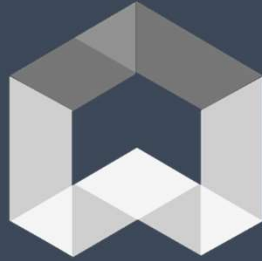

## 4. Best of Class Design – Modern, Green & Optimal

- We encourage efficient space management with lesser carbon foot-print and a very durable & appealing aesthetics

## 5. Competitive Quote - best of Price, TAT, Quality & Design

- We practice “Full-Stalk” in-house execution with direct control on field staff and effective procurement
- We pass certain margin benefits to our customers → win-win game
